Communiqué from the AGM of Morphic Technologies AB (publ)

At the Annual General Meeting of Morphic Technologies AB (publ) on
Wednesday May 27, 2009 the shareholders adopted the following resolutions:

Annual Report

Morphic's President and CEO, Martin Valfridsson, gave a presentation on the financial year 2008 and developments in the first quarter of the year. The Board of Directors and management gave an account of the events preceding the AGM and explained how the presented proposals will strengthen Morphic managerially, financially and operationally. The meeting approved the parent company and consolidated income statements and balance sheets and the appropriation of retained earnings proposed by the Board of Directors.

Peter Enå and Kurt Dahlberg Not Released from Liability

In his audit report for the financial year 2008 Morphic's auditor strongly criticized the work of the Board, and the AGM resolved not to release the former Chairman Peter Enå and the former Board Director Kurt Dahlberg from liability. Several of the circumstances noted by the auditor will now be investigated by the legal system.

In accordance with the auditor's recommendation, the other Directors and the Chief Executive Officer were released from liability.

Board of Directors Elected

The Chairman of the Nominating Committee, Kåre Gilstring, explained the reasons behind the proposal for a new Board of Directors, stating that Morphic needs a competent and experienced Board that is able to restore confidence among the company's stakeholders and that has the strength and ability to ensure the company's future success.

The AGM resolved to increase the number of Directors from three to seven, and then approved the appointment of Staffan Ahlberg, Jan Alvé, Henrik Bonde, Bo Hedenström and Jan Rynning as new Directors and the re-appointment of Peter Ekenger and Anette Myrheim. Staffan Ahlberg was elected new Board Chairman.

All of the proposed new Directors have experience from previous directorships in listed companies.

The AGM resolved to approve the payment of total Directors' fees of SEK 1,650,000, of which SEK 450,000 will be paid to the Chairman and SEK 200,000 to each of the other non-executive Directors. It was also resolved that no fees be paid for committee work.

PricewaterhouseCoopers AB was appointed as the company's auditors for a mandate period of four years, with the authorized public accountant Michael Bengtsson as chief auditor, and it was resolved that auditing fees be paid on the basis of approved invoices.
